ZITHA TECH SPECIALTY CABLES (Pty) Ltd

4-fiber 16-electric switch industry

Overview

IES6116 is an industrial grade, managed and redundant Ethernet switch which supports 12 Ethernet ports and 4 fiber ports. It is possible to use redundancy ring network, VLAN, port trunking, QoS (Quality of Service), speed control, port mirroring, fault alarm and firmware. Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to-performance ratios. Our comprehensive portfolio includes unmanaged switches, managed switches, PoE switches. This gives you the flexibility to build powerful and secure networks, even in harsh environments: copper and FO ports, as well as redundancy functions, enable the flexible networking of your systems and the easy segmentation of your industrial network. They are robust, impact-resistant and temperature-resistant. All products fulfil the highest requirements for reliable and flexible industrial Ethernet communication. The WAGO PoE Splitter (Item Number. Elevate your industrial operations with an AI-ready, rugged network that offers peak performance, high resilience, advanced security—and that smoothly integrates IT proficiencies into OT environments.

Article Content

Industrial Ethernet Switches | Phoenix Contact

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

Industrial Ethernet Switches – Simple and effective

Our Ethernet switches are designed for use in industrial environments. They are robust, impact-resistant and temperature-resistant. All products fulfil the highest requirements for reliable and flexible

SCALANCE X Industrial Ethernet Switches

A graduated portfolio of switches all the way to communication processors with integrated switch, offers the best solution for all types of industrial communication in any environment – from production in

Industrial Ethernet Switches | WAGO

WAGO''s switch portfolio provides scalable Ethernet network infrastructure with excellent electrical and mechanical performance. These rugged devices are designed for industrial use and are fully

Industrial Ethernet Switches

Built to endure the demanding conditions of factories, transportation infrastructure, grid substations, and other harsh environments, Cisco Industrial Ethernet switches come in a wide range of form factors to

IES6116-4F managed 16-port, redundant switch with 12 Ethernet ports

IES6116 is an industrial grade, managed and redundant Ethernet switch which supports 12 Ethernet ports and 4 fiber ports. It is possible to use redundancy ring network, VLAN, port trunking, QoS

Infrastructure, 16-port switch, Ethernet, 100 Mbit/s, 24 V DC, RJ45

With a transmission speed of 10/100 MBit/s and its industrial design, it can be used universally in automation and office networks and relays incoming Ethernet frames to the destination ports. It is

Industrial Switch: Understanding Industrial Ethernet Switch ...

Industrial automation engineers have created industrial Ethernet switches by adapting Ethernet to accommodate the stringent, deterministic-network requirements of manufacturing automation

4+8+16 Ethernet Fiber Switch | RLH Industries, Inc.

The RLH Industrial Managed Ethernet Switch offers 4 Gigabit SFP slots, 8 RJ-45 Fast Ethernet Ports, and 16 100Base-FX fiber ports. The high fiber port count makes this a great switch for aggregating

Ethernet Switches

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to

16-Port Industrial Ethernet Switch | WAGO

The growing trend towards networking in the industrial and building sector calls for ever more powerful switches with a greater number of ETHERNET ports.

MPO 16 Cable: Powering Tomorrow''s Connectivity Across Industries

The MPO 16 Cable—a 16-fiber multi-fiber push-on (MPO) connectorized cable—has emerged as a game-changer in industries demanding uncompromising speed, density, and reliability.

HGW-1604SM-PSE Managed PoE Industrial Switch

The HGW-1604SM-PSE is a managed PoE industrial Gigabit Ethernet switch with 16 RJ45 and 4 SFP ports, offering 240W total PoE power, DIN rail mounting, and

16 ports network switch, 16 ports ethernet switch

Find your 16 ports network switch easily amongst the 117 products from the leading brands (Kontron, YOKOGAWA, Phoenix Contact, ...) on DirectIndustry, the industry specialist for your professional
