ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Asian Power Distribution Box Brand

Overview

This section provides an overview for ac distribution boxes as well as their applications and principles.

Key Takeaways

Leading Asian power distribution box brands include DOHO, OOHMAGE, GEYA, and IndoAsian, offering high-quality, customizable, and safety-compliant solutions.Key Brands and Manufacturers

1. DOHO Electric (China) DOHO is a major Chinese manufacturer providing OEM/ODM distribution boxes for global markets. Their products are known for quality, reliability, and customization options, suitable for residential, commercial, and industrial applications . They offer a range of distribution boxes with advanced safety features and warranties. 2. OOHMAGE (China) OOHMAGE specializes in high-precision electrical distribution boxes designed for residential, commercial, and industrial systems. Their products emphasize safety, operational efficiency, and durability, with high-quality DC components and flexible design solutions for customized applications . 3. GEYA (China) GEYA distribution boxes are made from flame-retardant and impact-resistant ABS materials, ensuring safety and efficiency. They provide various configurations for indoor and outdoor use, including UL, CSA, and CE certifications, making them suitable for international standards . 4. IndoAsian (India/Asia) IndoAsian offers the Caretron+ and Optipro series, combining aesthetics with practical performance. Features include isolated neutral bars, cement-spill protectors, and IP-rated enclosures, ensuring safety and longevity in both residential and commercial installations .

Features to Consider
• Safety Ratings: Look for IP-rated enclosures (IP65/IP66) and compliance with UL, CE, or CSA standards.

• Material Quality: Flame-retardant plastics or metal enclosures for durability.

• Customization: Options for socket numbers, layout, and color to suit specific applications.

• Applications: Residential, commercial, industrial, and outdoor setups.
Summary

For reliable Asian power distribution boxes, DOHO, OOHMAGE, GEYA, and IndoAsian are top choices. They provide high-quality, safe, and customizable solutions suitable for a wide range of electrical distribution needs, from homes to industrial facilities .
