ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Cable management rack with winding function

Overview

The rack allows for effective installation and management of cables, pigtails and patch cords. Both wall-mounted and stand-alone versions are available. Integrated vertical ducts simplify routing. The patchbox. one was designed with the user in mind – for IT engineers by an IT engineer – to keep network racks organized. Our innovative system. Cable management systems come in several types: raceways contain cables in rigid channels, horizontal managers segment connections at specific rack heights, vertical panels organize cables along the rack's length, and D-rings secure cables with minimal obstruction. Each option has specific. Motive® Vertical Cable Manager is a highly configurable and advanced cable management solution that provides unlimited adjustment anywhere within the cable manager, optimizing use of interior space. Lead Time – View accurate lead times to plan your delivery expectations.
