ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Egyptian PLC Optical Splitter Manufacturer

Overview

channel-to-channel uniformity, and is widely used in PON networks to realize optical signal power splitting. We.

Key Takeaways

EGIX produces PLC wafer and chip on its own and manufactures PLC splitter with self-developed PLC aligning system for automatic alignment. It features small size, high reliability, wide operating wavelength range and good channel-to-channel uniformity, and is widely used in PON networks to realize optical signal power splitting. Its primary function is to divide a single optical signal into multiple output signals, allowing for efficient distribution of light across various paths. If you don't see what you're looking for in our current lineup, EGIX can create custom splitters with our design and engineering capabilities. Available in single mode and multimode with 900μm loose tube fiber or 250μm bare fiber connectorless or any fiber connector or combination: LC, LC/APC, SC, SC/APC, FC, FC/APC.

Article Content

Splitters – GTE

channel-to-channel uniformity, and is widely used in PON networks to realize optical signal power splitting. We. provide whole series of 1xN and 2xN splitter products that are tailored for specific

PLC Splitter-Egix_Optical Cable Assemblies

EGIX produces PLC wafer and chip on its own and manufactures PLC splitter with self-developed PLC aligning system for automatic alignment. If you don''t see what you''re looking for in our current lineup,

PLC Optical Splitter – Nitrotel Manufactoring

PLC (Planar Lightwave Circuits) splitters are developed using silica glass waveguide circuits and aligned fiber pigtails, integrated inside a miniature package. PLC

Fiber Optic Splitters Factory

You can check our fiber optic splitters by PLC splitter in different packages or 1*N 2*N PLC fiber optic splitter. 15 Years of Manufacturing Experience, Custom &

Fiber Optic PLC Splitter Manufacturer

Reliable rack mount PLC splitter manufacturer, our fiber optic PLC splitters are available in 19'' rack mount, ABS box, 1X N blockless, bare fiber types and are

A guide for fiber optical PLC splitters

Therefore, PLC splitters offer a low-cost solution without compromising on essential elements like stability and reliability. Final word In general, PLC

Fiber PLC Splitter Manufacturer | FTTH & GPON

Spring Optical provides PLC splitters for FTTH and GPON networks, including LGX cassette, ABS, rack mount and MPO types with low loss and high stability.

China PLC Splitter Manufacturers and Suppliers

Wholesale customized plc splitter on fiberopticom . We''re well-known as one of leading plc splitter manufacturers and suppliers in China. Be free to contact our

PLC Splitter Manufacturer, Supplier | Sopto

ABS Cassette,Plugin splitter or Tray type is most commonly used in the PON networks. It provides the complete protection for inner optical components and

Fibre Optic PLC Splitter Manufacturer & Supplier in India

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

Find Fibre Optic PLC Splitter in India. Buy Fibre Optic PLC Splitter at the best price from Norden Communication, one of the leading manufacturers and suppliers of Fibre Optic PLC Splitter in India.

What Is a PLC Splitter and Why Is It Essential in Fiber Networks?

Discover what a PLC splitter is and explore its core technology enhancing optical signal distribution. Learn about PLC splitters'' applications in fiber networks and their advantages over FBT

Fiber Optic Splitter Manufacturer | PLC & FBT Splitters

Fiber Optic Splitter Manufacturer for FTTH & PON Networks A fiber optic splitter is a passive optical device used to divide optical signals in FTTH and PON networks.

Optical Fiber Splitters, Fiber Optic Splitters, Optical Splitters, PLC ...

Sinocomms manufactures both of PLC and FBT splitters. Planar Lightwave Circuit (PLC) splitters follow a specific manufacturing process for optical passive network components. They consist of a

Ftth PLC Fiber Splitter Price China, Fiber Optic PLC

PLC Splitter PHXFIBER, one of the leading PLC splitter manufacturers with over 15 years of industry experience, specializes in high-quality optical splitters. Our PLC

19 Splitter Manufacturers in 2026

19 Splitter Manufacturers in 2026 This section provides an overview for splitters as well as their applications and principles. Also, please take a look at the list of 19 splitter manufacturers and their

Understanding PLC Splitters in Fiber Optic Networks

Discover the importance and working principle of PLC splitters in fiber optic networks. Learn about the types, benefits, and future applications. Explore

PLC Splitter Bulk Supplier | Baymro B2B Solutions

Power your fiber networks with high-performance PLC splitters. Global B2B manufacturer offering bulk optical splitting solutions with precise insertion loss

Premium PLC Splitter Manufacturing: Advanced Optical Network

Industry-leading PLC splitter manufacturer offering high-performance optical splitting solutions with advanced technology, comprehensive product range, and certified quality assurance for modern fiber
