Ethiopian Galvanized Cable Tray Manufacturer Price Quote

Overview

Cable Tray Manufacturer Addis Ababa High-quality ladder type cable tray Addis Ababa, perforated cable tray Ethiopia, and custom solutions for all your elec.

Key Takeaways

Galvanized cable trays in Ethiopia typically cost around $0.80 per meter for large-scale industrial orders, with prices varying based on specifications and supplier.Pricing Overview

For large industrial projects exceeding 10,000 meters, galvanized perforated trays can be priced as low as $0.80 per meter when purchased in bulk . Smaller orders or custom specifications may increase the unit cost. Local distributors in Addis Ababa maintain limited stocks of common galvanized ladder trays, enabling faster delivery (7–10 days) but at slightly higher prices compared to bulk imports .

Factors Affecting Price
• Material and Coating: Hot-dip galvanized steel is standard for most inland industrial zones due to its cost-effectiveness and corrosion protection . Stainless steel variants cost 2–3 times more but are used in high-humidity or chemical environments.

• Import Duties: Electrical components, including cable trays, incur 15% import duty plus 15% VAT, adding roughly 30–35% to the FOB price .

• Supplier Location: Chinese manufacturers dominate the market, with standard lead times of 45–60 days (15–20 days production, 30 days shipping via Djibouti port). Local suppliers can provide urgent replacements faster .

• Volume Discounts: Bulk orders significantly reduce per-meter costs, making large-scale procurement more economical .
Recommended Use

Galvanized trays are suitable for most industrial parks and inland installations in Ethiopia, balancing durability and cost. For specialized environments like chemical plants or coastal areas, 316L stainless steel or FRP trays may be preferred despite higher costs .

Suppliers
• Brilltech Engineers Pvt. Ltd.: Offers custom galvanized cable trays with in-house manufacturing and timely delivery across Ethiopia .

• NAHMA Precision Metal Products: Provides ladder and perforated trays with custom solutions in Addis Ababa .

• Supermarket Track / Micro Sheet Crafts: Supplies modular and customized trays at competitive prices . In summary, for standard galvanized cable trays in Ethiopia, expect $0.80–$1.20 per meter depending on order size, specifications, and supplier, with additional costs from import duties if sourced internationally.
