ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Exposed waterproof high-voltage distribution box

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. (3). The Waterproof Electrical Distribution Box, with its high-definition transparent cover, is a transparent panel that not only allows for easy monitoring of the internal components, but also enhances the overall aesthetics, making it perfectly suited for functional applications. From prototype to mass production, we support OEM metal enclosure customization with drawings. From drawing to delivery in. VIOX distribution boxes utilize high-quality ABS plastic, offering exceptional durability and electrical insulation. This guide primarily analyzes structural engineering characteristics, technical specifications, and actual installation procedures to achieve optimal field performance.
