ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Fire cable trays available now

Overview

MP Husky manufacturers Cable Tray Systems, Cable Bus System, Wire Mesh/Wire,Cable Tray, & Cable Management Systems.

Key Takeaways

Fire-resistant cable trays are available from suppliers like HERMI, Basor Electric, Niedax, and Durasteel, offering various materials, sizes, and fire ratings for immediate use.Available Options

HERMI Solutions offers cable trays designed for constructing fire-resistant cable paths with surface cable laying. They provide both standard and lightweight options and can advise on the most suitable solution for your installation needs . Niedax provides perforated steel cable trays in multiple sizes (e.g., 60x100x3000 mm to 60x400x3000 mm) with pre-galvanized or hot-dip galvanized finishes. These trays are designed for fire resistance and comply with DIN EN standards . Basor Electric specializes in cable trays tested for fire resistance to maintain the functionality of critical electrical installations such as emergency lighting, fire alarms, and smoke extractors. Their systems are suitable for public buildings and high-occupancy areas, ensuring circuit integrity under extreme fire conditions . Durasteel (Invicta) offers fire-rated cable enclosures with ratings up to EI120 (120 minutes insulation, 240 minutes integrity) and a maximum cable load of 24 kg per linear meter. These enclosures are ideal for protecting life-safety cables in critical applications .

Key Considerations
• Material: Steel (pre-galvanized or hot-dip galvanized), stainless steel, or halogen-free plastic.

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

• Fire Rating: Options range from 30 minutes to 120 minutes or more, depending on the system.

• Load Capacity: Check the maximum cable load per linear meter for your installation.

• Standards Compliance: Look for DIN EN 61537 or equivalent international standards for safety and performance.

• Installation Environment: Indoor, outdoor, or high-risk areas may require specific tray types or enclosures. For immediate availability, it is recommended to contact suppliers directly to confirm stock, delivery times, and technical support for your specific project requirements. Suppliers like HERMI, Basor Electric, and Niedax can provide guidance and customized solutions for fire-resistant cable management .
