ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Inquiry about Indian fusion splicing fiber optic cable manufacturers

Overview

Telecommunication uses Fusion splicer enable splicing of Fiber Optic Cable with low loss and high reliability.

Key Takeaways

India has several reputable manufacturers and suppliers of fusion splicing fiber optic cables, including Star Technologies, Matosia Infotech, Gaatha Industries, and Khushi Communications.Key Manufacturers and Suppliers

1. Star Technologies Star Technologies is a leading Indian manufacturer of fusion splicing machines and OTDR testing equipment. Their products, such as the Star FFS-5000 Ultima and FFS-3000, are designed for high-precision fiber optic splicing with features like core detection, dual voltage operation, and portable field use. Star is recognized for producing high-quality, reliable fusion splicers and has over 20 years of experience in telecom and IT services in India . 2. Matosia Infotech Matosia Infotech supplies professional-grade fusion splicers, OTDRs, optical power meters, fiber cleavers, and Visual Fault Locators (VFL). Their equipment is known for precision, reliability, and advanced alignment technology, making it suitable for fiber optic network installation, maintenance, and troubleshooting. They also provide a comprehensive range of fiber optic tools and accessories . 3. Gaatha Industries Gaatha Industries offers fusion splicer machines including models like the Star Ribbon Fiber FFS 12000R. They provide services and products for fiber optic splicing and related equipment, catering to both commercial and industrial fiber optic projects . 4. Khushi Communications Khushi Communications is a renowned supplier of fiber optic fusion splicers in India. They offer a wide range of reputed brands and models to meet diverse customer requirements, focusing on quality and reliability for professional fiber optic installations .

Additional Resources

For a broader list of manufacturers and suppliers, IndiaMART provides a directory of companies producing fusion splicers, fiber fusion splicer machines, and related equipment across India, including contact details and addresses .

Summary

These Indian manufacturers and suppliers provide high-quality fusion splicing machines suitable for telecom, IT, and networking applications. When selecting a supplier, consider factors such as splicing precision, portability, battery life, OTDR compatibility, and after-sales support. Star Technologies and Matosia Infotech are particularly noted for their innovative features and field-ready equipment, while Gaatha Industries and Khushi Communications offer a variety of models and brands to suit different operational needs.
