# ZITHA TECH SPECIALTY CABLES (Pty) Ltd

# Irish aluminum cable tray manufacturer

## Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable Tray manufacturers.

## Key Takeaways

Niedax CMS Ireland and Excel Electric Group are leading manufacturers of aluminum cable trays in Ireland.Niedax CMS Ireland

Niedax CMS Ireland is part of the global Niedax Group, one of the largest cable tray manufacturers worldwide . They provide a wide range of aluminum cable management systems, including trays, ladders, and trunking, designed for commercial, industrial, and data center projects. Their services include expert advice, project support from design to installation, and tailored solutions for contractors across all four Irish provinces .

Excel Electric Group

Founded in 1974 and based in Bluebell, Dublin, Excel Electric Group specializes in in-house manufacturing of cable support systems, including aluminum cable trays and extensive trunking systems . Since joining the Niedax Group in 2019, they operate alongside Niedax CMS Ireland to serve the Irish and UK markets. Their product range includes over 5,000 items, with options for customer-specific solutions, making them a key supplier for both wholesale and project-based clients .

Additional Suppliers

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

While not manufacturers, companies like Core Distribution, Electrical Wholesaler Ireland, and National Electrical Wholesalers provide a wide selection of aluminum cable trays and related cable management products for domestic and industrial applications . These distributors can be useful for sourcing standard or specialized trays quickly.

Summary

For Irish-manufactured aluminum cable trays, Niedax CMS Ireland and Excel Electric Group are the primary manufacturers, offering both standard and custom solutions. For broader availability or smaller quantities, national distributors like Core Distribution and Electrical Wholesaler Ireland provide competitive options. These companies collectively support projects ranging from commercial buildings to large-scale data centers.
