ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Malta IDC Data Center Construction Company

Overview

Do you need to procure colocation, cloud, connectivity or other data center services in Malta or other locations?

Key Takeaways

DC Deployed and CSL Data Center Services are among the leading companies providing data center construction and management solutions in Malta.DC Deployed – Data Center Construction Management

DC Deployed specializes in orchestrating and overseeing the construction of data centers in Malta, offering end-to-end services from initial consulting to decommissioning . Their expertise includes:

• Project management: Coordinating contractors, site superintendents, and MEP systems to ensure timely and budget-compliant construction.

• Regulatory compliance: Navigating Malta's environmental and construction regulations.

• Modular solutions: Prefabricated modular data centers that reduce construction time and environmental impact, ideal for densely populated areas.

• Scalability: Modular designs allow for easy expansion as demand grows.
CSL Data Center Services – Systems Integration and Facilities

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

CSL operates Tier 3 rated, carrier-neutral data centers in Malta with a total of 2000 square meters of rack space . Key offerings include:

• Design and implementation: Custom configuration and deployment of back-end infrastructure.

• 24/7 NOC support: Onsite engineers manage hardware, software, and security services.

• Service level agreements: Guaranteed 2-hour SLA with a large stock pool of hardware.

• Client base: Over 100 customers rely on CSL for both on-premise and hosted solutions.

Intertek Labs Malta – Data Center Solutions

Intertek provides design, planning, deployment, and maintenance of network infrastructure and data center solutions . They represent brands like CONTEG, offering:

• High-quality racks, cooling units, and intelligent power systems.

• Modular deployment options for flexible facility design.

• Support for both full-scale and partial infrastructure implementations.

Additional Resources

For a broader view of data center operators and construction companies in Malta, Servers.Expert and DataCenterMap provide listings of the top 10 companies and 12 facilities from 14 operators, including colocation and cloud services . These resources can help identify additional contractors or partners for data center projects.

Summary

Malta offers a growing ecosystem of data center construction and management companies. DC Deployed focuses on construction management and modular solutions, CSL provides Tier 3 facilities with full operational support, and Intertek Labs Malta offers flexible infrastructure solutions. For comprehensive planning, consulting, and construction, these companies provide expertise tailored to Malta's regulatory and technological landscape.
