Price range for 3-meter pigtails

Overview

Pigtails | McMaster-CarrChoose from our selection of pigtails, including gauge siphon tubes, power cords, and more. Same and Next Day Delivery. LC/APC Pigt.

Key Takeaways

A 3-meter fiber optic pigtail typically costs between $2 and $15 per unit, depending on fiber type, connector, and vendor.Pricing Overview
• Singlemode vs Multimode: Singlemode pigtails (OS2, 9/125 µm) are generally slightly more expensive than multimode (OM1, OM3, OM4) due to lower attenuation and higher precision requirements .

• Connector Type: LC, SC, ST, and APC/UPC polish types affect price. LC/APC or SC/APC connectors usually cost more than standard UPC connectors .

• Fiber Count: Pigtails can come in 1, 6, or 12 fiber packs. Bulk packs reduce per-unit cost, while single pigtails are priced higher individually .

• Vendor Options:
• sFiberOptic.com offers 12-pack LC/APC singlemode 3-meter pigtails with competitive pricing and free shipping .

• CableWholesale.com lists 12-fiber OM4 multimode LC/PC 3-meter pigtails with low insertion loss and color-coded boots .

• ShowMeCables provides a wide range of 1–15 meter pigtails with various connector types and modes, allowing customization .

• eBay and other marketplaces may offer individual pigtails or small packs, often with fast shipping and occasional discounts .

Additional Considerations
• Shipping and Bulk Discounts: Prices can vary depending on shipping location and quantity purchased. Bulk orders often reduce the per-unit cost.

• Quality and Standards: Look for pigtails compliant with TIA-598-A color coding and low insertion loss specifications to ensure reliable splicing and minimal signal loss .

• Customization: Some vendors allow custom lengths, connector types, or fiber counts, which may slightly increase the price . In summary, for a 3-meter fiber optic pigtail, expect to pay roughly $2–$15 per unit, with the exact price depending on fiber type, connector, and quantity. For precise pricing, contacting vendors like sFiberOptic.com, CableWholesale.com, or ShowMeCables is recommended .
