ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Singapore-based manufacturer of finished wire mesh cable trays

Overview

Since our inception in 1992, we have proudly established ourselves as one of Singapore's leading specialists in cable support systems. Our expertise lies in crafting quality metal cable trays, trunkings, and ladders for both commercial and industrial projects. Specifically designed for sensitive cable applications, Ferrotech innovative trays are designed to be the simplest, most cost-effective wire mesh cable tray management system available. Official Cablofil messaging highlights wire mesh tray as a core solution area, alongside related pathway categories for complete cable management planning. Available in various Metallic Material such as Stainless Steel 304 / SS304, 316 / SS316, 316L / SS316L, Hot Dipped Galvanized HDG, GI Galvanized Zinc Plating, Aluminum, Epoxy Painted. U-Li offers a diverse range of cable ladders made from a variety of materials, with a wide choice of cabling depths and load capabilities. They are supplied in straight lengths, but use fittings to make.
