Taihan Fiberoptics Co., Ltd. Founded in 1974, Taihan Fiberoptics is a prominent manufacturer of optical fibers and cables, offering high-performance fiber optic solutions for telecommunications, data centers, and industrial applications. They also provide specialty fiber optics tailored to specific industry needs and maintain a strong global presence . LS Cable & System One of South Korea's largest cable manufacturers, LS Cable & System produces fiber optic cables for high-speed data transmission, submarine cables, and specialty applications. Their focus on advanced technology and sustainability makes them a key player in global fiber optic markets . Shinhan Networks Shinhan Networks manufactures high-quality fiber optic adapters, patch cables, and other components for telecom providers, data centers, and network installers. They utilize in-house ceramic ferrules and precision manufacturing to ensure reliable performance . KB Photonics KB Photonics specializes in fiber optic passive components, including fixed attenuators, patch cords, adapters, connectors, splitters, and couplers. They have a strong international reputation for quality and reliability . Orion Communication Orion Communication produces a wide range of fiber optic connectors, adapters (SC, ST, FC, LC), and cable assemblies, including patch cords for CATV, telecommunication, LAN, and WAN applications. They emphasize innovation and long-term industry experience .

Additional Notable Companies
• SUNGPOONG CABLE – Focuses on high-quality fiber optic cables and advanced technologies for global markets .

• Vissem Electronics Co., Ltd. – Provides optical components and network solutions, including patch cords .

• Master – Offers signal management products and fiber optic assemblies with strong R&D emphasis . These companies collectively cover a broad spectrum of fiber optic products, from standard patch cords to specialized components for high-speed networks, data centers, and industrial applications. They are suitable for both domestic and international procurement needs.
