Specifications and Prices of Large-Span Cable Trays in Iraq

Overview

Contact our technical team for detailed specifications, custom solutions, and competitive pricing for your project requirements.

Key Takeaways

Large-span cable trays in Iraq are available in various materials, sizes, and configurations, with suppliers offering customization and corrosion protection; pricing is typically provided upon request.Specifications

Materials and Construction:

• Cable trays are commonly fabricated from prime quality sheet metal, including steel with electro powder coating for corrosion resistance, or non-metallic materials for specific applications .

• Types of cable trays include straight sections, ladders, trunking, elbows (horizontal and vertical), tees, crosses, and reducers to accommodate directional changes and width variations .

• Covers are available in solid or louvered tops to protect cables from dust, sunlight, and accidental contact . Dimensions:

• Lengths: 2440mm, 2500mm, 3000mm

• Heights: 50mm, 75mm, 85mm, 100mm, 200mm

© 2026 ZITHA TECH SPECIALTY CABLES (Pty) Ltd - All rights reserved

• Widths: 100mm, 150mm, 300mm, 450mm, 600mm, 750mm, 900mm .

• Large-span trays can be customized to meet project-specific requirements, including wider spans and longer lengths . Accessories and Installation:

• Splice plate connectors, channels, clamps, brackets, and hangers are available to facilitate on-site installation .

• Modular design allows for easy maintenance, expansion, and cable management . Standards Compliance:

• Many trays comply with NEMA VE1-2002 and TCVN 197-2002 standards .
Pricing
• Prices for large-span cable trays in Iraq are not typically listed online due to variations in material, size, coating, and customization.

• Suppliers such as Kanza Iraq, Basra Logistics, Bahra Electric, and SDF Factory provide competitive pricing and quotations upon request .

• For accurate pricing, it is recommended to contact the supplier directly with your project specifications, including tray type, dimensions, material, and quantity.
Suppliers in Iraq
• Kanza Iraq: Offers high-quality cable tray systems for large-scale construction projects with custom solutions and technical support .

• Basra Logistics: Provides support and consultation for cable tray systems .

• Bahra Electric: Supplies versatile metal and non-metallic cable trays suitable for industrial and commercial installations .

• SDF Factory: Custom fabrication using advanced fiber laser technology for tailored sizes and shapes . Recommendation: For large-span cable trays, define your load requirements, span length, and environmental conditions before contacting suppliers to ensure the selected tray meets both structural and electrical safety standards.
