ZITHA TECH SPECIALTY CABLES (Pty) Ltd

Suriname Optical Cable Manufacturer

Overview

suriname-optical-cable-brands Manufacturer/ProducerEuropean manufacturer of high-quality passive fiber optic equipment and FTTH network components, operati.

Key Takeaways

Several companies supply and manufacture optical cables for Suriname, including local distributors and international manufacturers with regional reach.Key Manufacturers and Suppliers
• Comlink Electronics – Founded in 1999, Comlink Electronics provides connection solutions for telecom, computer, home entertainment, and industrial equipment. They operate multiple factories and offer fiber optic cables and related connectivity solutions suitable for Suriname's telecom infrastructure .

• Erat – Established in 1998 under the name Telecom, Erat specializes in fiber optic cable assemblies, connectors, and equipment for optical cable production. They provide both installation and manufacturing support for fiber networks .

• Hengtong Optic-Electric Co., Ltd. – A global leader in cable and optical communications, Hengtong operates multiple overseas manufacturing bases, enabling localized production and supply of fiber optic cables to regions including Suriname .

• DIAMOND SA – Headquartered in Switzerland, DIAMOND manufactures high-performance fiber optic interconnect solutions, including connectors and assemblies, which are distributed internationally and can serve Suriname's telecom needs .

• Lightmax SL – Specializes in passive optical fiber network products, including single-mode and multi-mode fiber cables. Their products meet international standards and are suitable for FTTH and enterprise networks .

• LINEAIRE – Manufacturer of cable accessories and network connectivity solutions, including custom fiber optic cables for industrial and IT applications .

Additional International Suppliers

• TTI Fiber – Based in China, TTI Fiber produces a wide range of fiber optic cables, patch cords, splitters, and connectivity solutions. They offer indoor, outdoor, armored, and FTTH cables with ISO 9001 certification and global shipping, making them a viable supplier for Suriname .

• APAR – Offers high-capacity fiber optic cables for telecom and data infrastructure, including ADSS, ribbon, and submarine cables. Their products are suitable for long-distance and high-bandwidth applications .

Considerations for Suriname

While Suriname may not have large-scale local manufacturing of optical cables, these companies provide direct supply, regional distribution, or installation services. Businesses in Suriname can contact these manufacturers or their authorized distributors to procure fiber optic cables for telecom, data centers, or FTTH projects. For direct inquiries and supplier contacts, platforms like Europages list multiple optical cable brands and distributors serving Suriname, allowing businesses to connect with manufacturers efficiently .
